

Name: Floyd Petersen  
Occupation: Incumbent  
Term: Four Years

As a member of your city council, I have spent countless hours listening to you and then studying every side of an issue before making decisions, which I believe to be fair and in the best interest of all.

Loma Linda is growing, changing, and managing this change continues to challenge us. I am honored to have played a part.

There are pessimists out there - people who are afraid of change. People who deny the inevitable. People who always predict and believe bad things will happen.

I am an optimist. Where some complain about traffic, I see thousands coming to good jobs, the best schools, and first-class medical facilities. I see a Loma Linda with safe neighborhoods, generous open space, and a current city government, staff and finances that are the envy of this valley. I see a bright, dynamic future ahead for our city - a safe, clean city providing good affordable housing for all ages and incomes. Loma Linda - a city you and I are proud to call home.

Please re-elect me, and I promise to continue my listening, and my careful, hard work on council, doing what is best, long term, for our city.
